My goal is to read...

Challenge yourself this summer! Will you read a certain number of books during your vacation, or a certain number of minutes each day? Whatever your goal is, use this space to write it down!

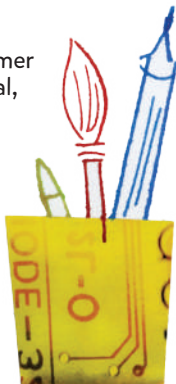

Welcome to the

2016 TD Summer Reading Club

Whether it's outdoors, outrageous, or out of bounds, the unexplored is calling and with TD Summer Reading Club books, activities and an unleashed imagination, you can let go and find your wild this summer!

This book is just the beginning of your adventures with the TD Summer Reading Club. Use it to record what you read, track your reading goal, collect stickers, and discover more neat ways to make reading a fun part of your summer.

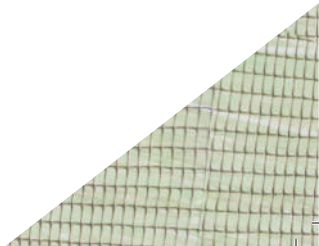

Be sure to stop by your local library for excellent reading suggestions from the friendly, expert staff you'll find there. And don't forget, you can always visit our website (**tdsummerreadingclub.ca**) for reading suggestions and other fun activities, and to find out what other TD Summer Reading Club kids and libraries are up to across the country.

When you're ready, you can show your notebook to library staff and we'll complete the certificate inside. We'll even give you another notebook if you like!

Happy Reading!
