

COMING 10.21.20

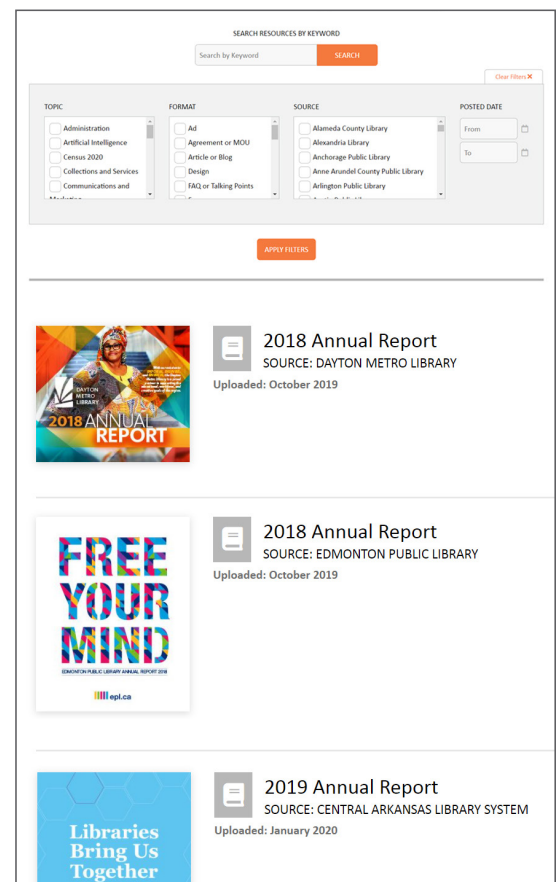

Meet ULC's All-New MEMBER HUB

On October 21, ULC will launch a leveled-up version of our member website. This new platform will make it even easier for you to build relationships and share transformative tools and ideas with library leaders across North America.

As a ULC library leader, you will use this new platform to:

- Access, apply and build on the extensive and ever-growing collection of tools housed in the **Knowledge Exchange**, a robust evolution of ULC's popular Knowledge Center.
- Explore **ULC webinar recordings** using filters for key topics and watch recordings directly on the ULC site.
- Quickly register your entire team for **upcoming ULC events**, including virtual and in-person convenings.
- ... and more!

Accessing the ULC Member Hub

The ULC Member Hub will be available at members.urbanlibraries.org as of October 21. All members will receive an automated email from ULC that day with instructions for setting up an account. Please contact info@urbanlibraries.org with any immediate questions.
